Newsletter of Hibiscus / K1 / Term-3 / 2021

Dear Parents,

Welcome to our first edition of the newsletter Term 3

National Day Celebration: Children were shown pictures of past Singapore and the present. They made the Singapore Flag, and shared with each other about the colours, five stars and crescent moon.

Children were eager to create a jellyfish craft, by painting and pasting the tentacles.

Children enjoying throwing a ball to their peer and catching it. It was a fun activity.
